MEET THE CANDIDATES NITE

The club has decided to hold a meet the candidates nite at the Sept. Meeting. You will have an opportunity to ask questions. We will be starting the meeting early (at 7:00 PM)

For Sale/Wanted Page for the web site:

We are adding a For Sale/Wanted page to our website for our member's use. The page will be restricted to items related to hunting, fishing, shooting, archery, camping, and generally outdoor recreational use. We will not post items like cars, furniture, lawn equipment, etc.. If there is any question about whether an item meets the guidelines, the Board of Directors will decide if the item is appropriate. If you are trying to sell an item or are looking to find a particular item, go to the web site www.qvmfgc.com and click on the "Contact Us" page. Put your information about the item, description, price, how to contact you, etc. in the space on the contact page, fill out the rest of the page and send it. We will receive the information and post it up on the For Sale/Wanted page of the web site. We ask that if you successfully move or find what you are looking for, drop us another message through the "Contact Us" page so we can remove it from the listings. If you have any questions, you can call Les evenings at 336-7330 or by e-mail at plateshooter@gmail.com

Steel Plate Shoot - Thursday September 16

We will be holding a steel plate shoot on our indoor range on Thursday evening, September 16 at 6:30 PM. This will be a shoot for .22LR pistol and is a free, fun shoot. We ask everyone participating to bring along some sort of snack food item to share with the other shooters. Chips, cookies, brownies, cake, etc. will be appropriate. We will be shooting our new steel plate rack on this event. The new rack is a five plate vertical rack, we will be shooting 10 strings of fire of 5 rounds each for a total of 50 rounds per match. Hope to see many of you there. For more information, contact Les evenings at 336-7330 or by e-mail at plateshooter@gmail.com.

DONATION: The new plate rack has been donated to the club through the efforts of Hank Schreiner. A member of the club, Don Annis, passed away about a year ago and his widow has graciously donated Don's plate rack to the club in his memory. We will be affixing a tag on the rack to commemorate Don's memory. Our thanks and appreciation go out to Don's family for this generous donation.

OUTDOOR RANGE

A question has been raised about the prohibition about bringing guests to use the range. The question concerned whether this applied to family members. The answer is that it does. However if the family member qualifies as a junior member, bear in mind that it only costs \$4.00 for that member to join, and it would be perfectly legal for he or she to be on the range.
