This organization is formed for the purpose of encouraging good wildlife management in our area and to further an amicable relationship between farmer-land owners and sportsmen through mutual help and understanding. We, the members of the Greenway-Verona Mills Fish and Game Club, Inc., recognize the need for such mutual cooperation and herewith pledge ourselves to it. We also recognize and accept the authority of the State of New York Conservation Department and it's agencies and representatives and promise to uphold and follow all of it's laws and regulations, both in the actions of this club and as individual members thereof.
